Chief Executive Officer
City of Busselton
Locked Bag 1
BUSSELTON WA 6280

Dear Mr Archer

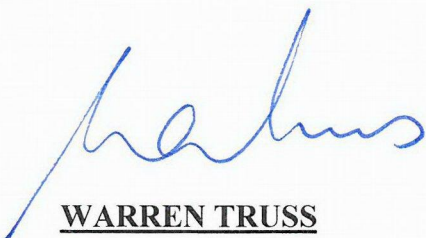

Thank you for your letter dated 10 April 2014 regarding the expansion of the Busselton Tennis Club. I apologise for the delay in responding.

I congratulate the City of Busselton on providing both local residents and those in the wider region with a range of facilities that support recreation and tourism events, and on the development of the Busselton Foreshore. The expansion of the Busselton Tennis Club will benefit the region and complement other developments supported by Council and the West Australian Government.

The Government is committed to supporting regional communities through the new \$1 billion National Stronger Regions Fund, commencing in 2015, which may be a possible source of funding for future infrastructure projects in Busselton. My Department will administer the Fund and details will be available on the Department's website at www.infrastructure.gov.au in due course.

I appreciate your invitation to visit Busselton. My Office will contact you when I am next planning to visit the South West of Western Australia to make arrangements for a visit to Busselton.

Yours sincerely

WARREN TRUSS
