

SCHEDULE OF SUBMISSIONS
PROPOSAL: Horse Exercise Areas 2014

Submission Number	ADDRESS	Nature of Submission	Submission	Officer Comment
GOVT AUTHORITIES				
COMMUNITY GROUPS				
PUBLIC SUBMISSIONS				
1	Layman Road, Wonnerup	Objection	Oppose Wonnerup West Concerns over increased excrement from both dogs and horses posing health risk. Increased traffic and litter. Proposed limit Wonnerup East to before 9am.	Recommend horse exercise areas be limited to low use beach areas to avoid health risk, environmental impact and user conflicts.
2		Support	Good use of the beach	Comment noted
3	Estuary View Drive, Wonnerup	Objection	Limit Wonnerup West to no further than Captain Baudin Reserve. Reduction in usable area for residents. Suggest off road car park separating horse area and beach area is long overdue.	Refer Officer Comment submission 1 No additional formal beach access proposed.
4	Wonnerup	Support	Already lots of dog excrement, increased excrement inevitable with horses too.	Comment noted
5	Stevens Street, Mundaring	Objection	Objection to Wonnerup West area. It's a family beach – adding horses would be a conflicting use. Plenty of area in Wonnerup East	Refer Officer Comment submission 1
6	PO Box Busselton	Objection	Objection to Wonnerup West, Wonnerup East no objection. Conflicting use of horses and children. Already less beach area due to Port Geographe development.	Refer Officer Comment submission 1
7	Andon Link, Yalyalup	Objection	Objection to all areas. People should take priority over horses. Horse owners should exercise their horses on their own properties.	Comment noted
8	Keel Retreat, Busselton	Objection	Opposed to Wonnerup West area. Already less beach area due to Port Geographe development.	Refer Officer Comment submission 1
9	Layman Rd, Wonnerup	Objection	Opposed to Wonnerup West area.	Refer Officer Comment submission 1

SCHEDULE OF SUBMISSIONS
PROPOSAL: Horse Exercise Areas 2014

			Concerned about beach degradation. Risk management a concern for family safety	
10	Keel Retreat, Geographe	Objection	Opposed to Wonnerup West. Too many conflicting uses Already less beach area due to Port Geographe development.	Refer Officer Comment submission 1
11	Keel Retreat, Geographe	Objection	We would be very disappointed if the Beach from Wonnerup Boat Ramp to McCormack Street were to be used by Horses. It is one of the few beaches in this area accessible by us within walking distance that can be used without worry of vehicles or horses. I vote NO to this proposal	Refer Officer Comment submission 1
12	Anchor View, Geographe	Objection	Oppose to Wonnerup West Only beach accessible for local residents	Refer Officer Comment submission 1
13	Mainsail Street, Geographe	Objection	Opposed to Wonnerup West. No area for children to play	Refer Officer Comment submission 1
14			Proposed Wonnerup West exercise area to stop at Captain Baudin Reserve. Unsafe to use beach with horses running on it. Needs to be some area free of horses for people to utilise.	Refer Officer Comment submission 1
15	PO Box Capel	Objection	Opposed to Wonnerup East area. There is already a dog exercise area- dogs and horses don't mix. Beaches shouldn't be used for business. Conflict of uses (fishing, swimming, horses). Concerns with safety and increased accidents. Horse excrement and people cleaning out horse floats a health hazard. Public safety a concern, specifically insurance.	Refer Officer Comment submission 1
16	Layman Road, Wonnerup	Objection	Objection to Wonnerup West area. It's a family beach – adding horses would be a conflicting use. Plenty of area in Wonnerup East	Refer Officer Comment submission 1
17	Estuary View Drive, Wonnerup	Objection	Opposed to Wonnerup West Already less beach area due to Port Geographe development. Should not become overrun with horses. Will impact on revegetation.	Refer Officer Comment submission 1
18	Layman Road, Wonnerup	Objection	Opposed to Wonnerup West. Property devaluations.	Refer Officer Comment submission 1

SCHEDULE OF SUBMISSIONS
PROPOSAL: Horse Exercise Areas 2014

			Conflict with the existing dog beach. Health concerns with increased excrement. Already less beach area due to Port Geographe development. A conflict of between people and horses.	
19	Layman Road, Wonnerup	Objection	Oppose Wonnerup West area only. Conflict between people and horses.	Refer Officer Comment submission 1
20	Layman Road, Wonnerup	Support	Opposed to Wonnerup West area only. Already less beach area due to Port Geographe development. Beach is very narrow. Beach is used by locals and visitors Horses cause damage/ erosion to the beach. Health concerns over excrement. No objection to the other proposed areas.	Refer Officer Comment submission 1
21	Estuary View Drive, Wonnerup	Objection	Opposed to Wonnerup West area. Beach is eroded.	Refer Officer Comment submission 1
22	Estuary View Drive, Wonnerup	Objection	Opposed to Wonnerup West area. Beach is sued by locals/ families Conflict with people/ horses Health concerns with increased excrement. On objection to other proposed areas.	Refer Officer Comment submission 1
23	Layman Road, Wonnerup	Objection	Opposed to Wonnerup West area. Already less beach area due to Port Geographe development. Conflict with people and horses Beach already subject to erosion	Refer Officer Comment submission 1
24	Layman Road, Wonnerup	Objection and Support	Opposed to Wonnerup West area. Conflict with people and horses. Increased density/ population means increased beach users. Beach already subject to erosion. Decreased amenity to the beach area No objection to other proposed areas.	Refer Officer Comment submission 1
25	Caves Road, Anniebrook	Support	Verbal comment via telephone conversation.	Comment noted
26		Support	Support all proposed areas.	Comment noted

**SCHEDULE OF SUBMISSIONS
PROPOSAL: Horse Exercise Areas 2014**

			Proposed signs telling people to pick up excrement. Better visibility for vehicles using this area. Restricted times mean that in winter there's not a lot of light.	
27	Capel	Support	Support all proposed areas. Large horse industry in the South West with little room to exercise. Horse owners do pick up horse excrement.	Comment noted
28	PO Box Dunsborough	Support	Support all proposed areas. Expanding horse community in Busselton. Limited parking at the Quindalup exercise area, especially with general beach users and fishermen.	Recommend the use of existing infrastructure to access proposed horse exercise areas.
29	PO Box Busselton	Objection	Opposed to Wonnerup West area. Beach is narrow due to erosion Already less beach area due to Port Geographe development. Once completed this will increase the users of the beach. Conflict with people and horses. Oppose Wonnerup East area as this is a 4WD beach- conflict of uses as horses and cars don't mix.	Refer Officer Comment submission 1 Activities and associated user behaviour on City land are monitored and periodically reviewed.
30	Estuary View Drive, Wonnerup	Objection	Oppose Wonnerup West area. Increased population and visitors to the marina means more people using the beach. Already less beach area due to Port Geographe development. Beach subject to erosion. Conflict between horses and people. Sufficient room at the Wonnerup East area. Signage needs to be improved	Refer Officer Comment submission 1 Recommend signage upgrade to indicate approved activity on City land.
31	PO Box Capel	Objection	Opposed to Wonnerup East area. There is already a dog exercise area- dogs and horses don't mix. Beaches shouldn't be used for business. Conflict of uses (fishing, swimming, horses). Concerns with safety and increased accidents. Horse excrement and people cleaning out horse floats a health hazard. Public safety a concern, specifically insurance.	Refer Officer Comment submission 1
32	Layman Road, WONNERUP	Objection	Opposed to Wonnerup West.	Refer Officer Comment submission 1

SCHEDULE OF SUBMISSIONS
PROPOSAL: Horse Exercise Areas 2014

			Beach is most accessible/ closest for locals. Conflict between people and horses. On objection to the other proposed areas.	
33	Mitchell Road, Newlands	No position stated	Concerns over proper parking and access. Concerns over damage to the dunes	Comment noted
34	PO Box Dunsborough	Support	Supportive of all of the proposed areas. Proposed exercise times conflict with recreational riders and professional trainers. All uses can coexist without conflict. Need better signage telling people to pick up excrement and bins for this purpose.	Refer Officer Comment submission 1
35	John Street, Abbey	Support	Supportive of all of the areas. Would like a horse beach in central Busselton (away from tourist accommodation) Does not want to exercise around dawn and dusk due to concerns of shark attacks.	Refer Officer Comment submission 30
36	PO Box Capel	Objection	Opposed to Wonnerup East Already a declared dog exercise area Horse excrement needs to be cleaned up by riders.	Refer Officer Comment submission 1
37	Keel Retreat Geographe	Objection	Opposed to Wonnerup West area. Conflict between people, horses and dogs.	Refer Officer Comment submission 1
38	Darnell Road, Rosa Brook	Support	Horse exercise areas are limited in WA. Need to have car parks suitable for cars and floats to safely get in and unload horses.	Comment noted
39	Egan Crescent, Vasse	Support	Support all areas. Should be no time restrictions. Better car parking is needed. Horse ownership increases as the population does.	Comment noted
40	Stock Road, Attadale	Objection	Opposed to Wonnerup West area. Concerned that if Wonnerup East and West are used; there would be no horse free areas to be used by locals. Is a popular area and should be kept for local users with less popular beaches being used for horse exercise areas. Supports the Anniebrook exercise area.	Refer Officer Comment submission 1
41	Estuary View Drive, Wonnerup	Objection	Opposed to Wonnerup West Area. Already less beach area due to Port Geographe development. Conflict between horses, people and dogs.	Refer Officer Comment submission 1

**SCHEDULE OF SUBMISSIONS
PROPOSAL: Horse Exercise Areas 2014**

			Health issues due to excrement. Parking issues. Support Wonnerup East as there is less population in this area. Need better signage. Query if the City will enforce regulations/ will there be more staff ?	
42	Layman Road, Wonnerup	Objection	Objection to Wonnerup West area. It's a family beach – adding horses would be a conflicting use. Plenty of area in Wonnerup East	Refer Officer Comment submission 1
43	Caves Road, Anniebrook	Objection	Opposed to Anniebrook exercise area. Degradation to sand dunes Poor parking and access. Health issues with horse excrement not being cleaned up. Safety concerns as the area is accessed from a busy part of Caves Road and crosses over the new cycle path.	Refer Officer Comment submission 29
44	PO Box Yallingup	Support	Support the Anniebrook exercise area. Is a regular user of this area. Car parking and path needs to be improved. Would like to see the area expanded more towards Busselton.	Comment noted
45	Ballarat Road, Wonnerup	Objection and Support	Supports the Wonnerup East Area. Areas is currently well utilized and is safe. Opposed to Wonnerup West. Too many people use this area. 4WD's on beach already causes conflict. Horses and people should be kept separate. Beach is very narrow and also very popular- not enough room. Safety concerns with horses and dogs and 4WD's. City should consider closing the beach to 4WD's Beach is already eroded. Already less beach area due to Port Geographe development.	Refer Officer Comment submission 29
46	P O Box Cottesloe	Support	Need better car parking at Quindalup. Riding on beach not ideal during winter. Request extended horse use times.	Recommend the use of existing infrastructure to access proposed horse exercise areas.

SCHEDULE OF SUBMISSIONS
PROPOSAL: Horse Exercise Areas 2014

			Conflict with recreational riders and professional trainers. City of Busselton needs bridle trails.	
47	Estuary View Drive, Wonnerup	Objection	Opposed to Wonnerup West and East areas. Beach is already narrow due to erosion. Conflict between people and horses.	Refer Officer Comment submission 1
48	PO Box Busselton	Objection	Opposed Wonnerup West and East- to the river mouth. Conflict between 4WD's, people and horses. Support of the use of the area from the River mouth to the Capel border.	Refer Officer Comment submission 1
49	Blue Manna Mews, Geographe	Support	Support of Anniebrook exercise area.	Comment noted
