Dear Ian

Surf Life Saving Western Australia Annual Report 2015

On behalf of Surf Life Saving Western Australia we are pleased to present our Annual Report and Annual Review for the 2014/2015 year.

It has been another busy year for surf lifesaving in Western Australia. Membership continues to show growth, with over 20,000 members across the State, and we welcomed on board our 30th Club, Port Walcott in the Pilbara.

Our volunteer members continue to play a vital role in community safety - this year performing more than 106,000 patrol hours during the season – and it is their commitment and passion that ensures surf life saving in Western Australian continues to thrive.

Surf Life Saving WA's lifesavers and lifeguards also performed over 1,220 rescues and 43,500 preventative actions, demonstrating just how important their presence is on our beaches and in keeping the beach going public safe.

As a not-for-profit organisation, we rely on the exceptional support we receive from our government and corporate partners and the community and we look forward to continuing to build on these relationships over the coming season.

Kind Regards

Craig Smith-Gander
President
