**LOCAL GOVERNMENT ACT 1995**

**LOCAL GOVERNMENT (FINANCIAL MANAGEMENT) REGULATIONS 1996**

**STATEMENT BY CHIEF EXECUTIVE OFFICER**

The attached financial report of the City of Busselton for the financial year ended 30th June 2018 is based on proper accounts and records to present fairly the financial position of the City of Busselton at 30th June 2018 and the results of the operations for the financial year then ended in accordance with the Local Government Act 1995 and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards.

Signed on the 26th day of October 2018

-----  
Mike Archer  
Chief Executive Officer

# City of Busselton

## Financial Report

For the Year Ended 30<sup>th</sup> June 2018

### Notes to and Forming Part of the Financial Report

#### 1. BASIS OF PREPARATION

##### THE LOCAL GOVERNMENT REPORTING ENTITY

The financial report comprises of general purpose financial statements which have been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities and to the extent they are not in-consistent with the *Local Government Act 1995* and accompanying regulations.), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the *Local Government Act 1995* and accompanying regulations.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise.

Except for cash flow and rate setting information, the report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

##### CRITICAL ACCOUNTING ESTIMATES

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

##### THE LOCAL GOVERNMENT REPORTING ENTITY (Continued)

##### CRITICAL ACCOUNTING ESTIMATES (Continued)

All funds through which the City controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 24 to these financial statements.

Health	8,397	11,862
Community Amenities	1,863	77,500
Recreation and Culture	5,305,642	4,198,666
Transport	18,897,124	12,527,091
	<b>24,793,990</b>	<b>17,605,379</b>

#### SIGNIFICANT ACCOUNTING POLICIES

##### Grants, Donations and Other Contributions

Grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions.

Where contributions recognised as revenues during the reporting period were obtained on the condition that they be expended in a particular manner or used over a particular period, and those conditions were

##### Grants, Donations and Other Contributions (Continued)

undischarged as at the reporting date, the nature of and amounts pertaining to those undischarged conditions are disclosed in Note 20.

That note also discloses the amount of contributions recognised as revenues in a previous reporting period which were obtained in respect of the local government's operations for the current period.

	2018 Actual \$	2018 Budget \$	2017 Actual \$
<b>Interest Earnings</b>			
- Reserve Funds	1,130,739	1,000,000	1,334,027
- Restricted Funds	651,630	500,000	1,297,471
- Other Funds	213,287	369,000	291,909
- Other Interest Revenue (refer note 21(e))	457,900	393,996	407,480
	<b>2,453,556</b>	<b>2,262,996</b>	<b>3,330,887</b>
<b>Operating Grants</b>			
Financial Assistance Grants - Untied	378,410	0	377,452
Financial Assistance Grants - Roads	791,516	0	769,207
	<b>1,169,926</b>	<b>0</b>	<b>1,146,659</b>

Note: The above Operating Grants were paid as an advanced payment on income that normally would have been received in the 2018/19 financial year. The grant amounts by nature are not restricted funds. This note is to inform the reader of this significant sum of revenue that was not included in the 2017/18 Budget and the fact that it has added to the carried forward surplus available for the 2018/19 Budget Year.

## Financial Report

For the Year Ended 30<sup>th</sup> June 2018

### Notes to and Forming Part of the Financial Report

#### 4. Reserves – Cash Backed (continued)

All of the reserve accounts are supported by money held in financial institutions and match the amount shown as restricted cash in Note 3 to this report.

In accordance with council resolutions in relation to each reserve account, the purpose for which the reserves are set aside are as follows:

##### **Airport Infrastructure Renewal and Replacement Reserve**

To provide funding for the renewal, replacement, upgrading and installation of Airport Infrastructure; and to facilitate the implementation of the Noise Management Plan and related activities.

##### **Assets Depreciation Reserve**

To assist the City in funding capital expenditure on renewal, replacement and improvements of infrastructure assets as determined by Council, and as specifically identified in relevant Asset Management Plans.

##### **Climate Adaptation Reserve**

To cover repairs or preventative measures necessary to protect the beach or land based assets, as well as specific capital projects designed to protect the shoreline, e.g. construction of a sea wall.

##### **Building Asset Renewal Reserve**

To provide funding for future building requirements for assets that do not have their own reserve account or loan funding.

##### **Corporate IT Systems Programme**

To assist the City in funding expenditure required in relation to the ongoing development and enhancement of the City's corporate systems.

##### **Jetty Maintenance Reserve**

As a contingency fund to rectify damage caused by the demise of the Busselton jetty or part of the jetty or for large unbudgeted extraordinary jetty repairs.

##### **Legal Expenses Reserve**

To provide for any legal expenses or contingency involving the City of Busselton.

##### **Long Service Leave Reserve**

To provide funding to meet Council's future long service leave obligations.

## City of Busselton

### Financial Report

For the Year Ended 30<sup>th</sup> June 2018

#### Notes to and Forming Part of the Financial Report

##### 4. Reserves – Cash Backed (Continued)

###### City Car Parking and Access Reserve

To provide adequate public car parking in the City for the future, and can be used for the purchase of land and/or development of public car parking and access thereto, the development of infrastructure to provide for the management of public car parking and providing improved public transport to and within the City.

###### Plant Replacement Reserve

For funding and the purchase of new plant and equipment as may be required to mitigate growth needs or improvements to service levels as agreed by the Council; or plant and equipment as identified in the 10 year plant replacement program by using the basis of plant depreciation earnings and subsidisation by annual budgets as required.

###### Professional Development Reserve

To provide funding to meet the City's ongoing contractual professional development obligations.

###### Road Asset Renewal Reserve

To meet the needs of the Long Term Financial Plan road asset management plan requirements.

###### Sick Pay Incentive Reserve

To provide funding to meet Council's obligations under the City of Busselton's Enterprise Bargaining Agreement.

###### Strategic Projects Reserve

To finance activities which will create a revenue stream for the City and reduce reliance on rate revenue.

###### Waste Management Facility and Plant Reserve

To fund the acquisition of additional waste plant, waste facility infrastructure, waste related expenditure and post closure management.

###### Port Geographe Development Reserve

To provide for costs associated with the Port Geographe development.

###### Port Geographe Waterways Management Reserve

To provide funds for Council to fulfil its obligations under a Waterways Management Deed with Pindan Constructions for the future maintenance of waterways and associated facilities within the Port Geographe subdivision area.

## City of Busselton

### Financial Report

For the Year Ended 30<sup>th</sup> June 2018

#### Notes to and Forming Part of the Financial Report

#### 4. Reserves – Cash Backed (Continued)

##### Workers Compensation Contingency Reserve

A contingency fund to assist Council in meeting its Workers Compensation Contribution obligations when claim costs exceed the "Deposit" amount allocated to claims, to fund any shortfall with respect to insurance premiums and to enable periods of extended Sick Leave to be funded where a replacement officer is required for any period of absence.

##### Provence Landscape Maintenance Reserve

For the purpose of holding funds for the maintenance of the approved higher standard of landscaping within the Provence subdivision in accordance with Policy 185/3 including future capital replacement of landscaping structures as may be required.

##### New Infrastructure Development Reserve

For the purpose of setting aside funds to facilitate the identification, design and development of new infrastructure and other capital projects.

##### Vasse Newtown Landscape Maintenance Reserve

For the purpose of holding funds for the maintenance of the approved higher standard of landscaping.

##### Untied Grants Reserve

To hold untied grants monies received in advance.

##### Locke Estate Reserve

To provide funding for the protection of the Locke Estate (Reserve 22674) coastline.

##### Busselton Community Resource Centre Reserve

To hold funds for costs associated with asset management (as well as a contingency for annual depreciation) of the building located on Reserve 41445, and known as the Busselton Community Resource Centre.

##### CBD Enhancement Reserve

Financing works and improvements within the Busselton Central Business District', including both capital and maintenance works which enhance the old fire station and / or the CBD generally.

##### Election, Valuation and Corporate Expenses Reserve

To provide funding for Council elections, rating valuations, fair value valuations and other legislative and corporate governance requirements.

## Financial Report

For the Year Ended 30<sup>th</sup> June 2018

### Notes to and Forming Part of the Financial Report

#### 4. Reserves – Cash Backed (Continued)

##### Civic and Administration Centre Construction Reserve

To provide funding for the construction and fit-out of a Civic and Administration Centre, plus associated costs.

##### Airport Marketing and Incentive Reserve

The purpose for promoting the Busselton Regional Airport.

##### Busselton Traffic Study Implementation Reserve

To be utilised for the provision of the progressive upgrade of the local road network to reduce congestion, increase traffic flow and ease of access.

##### CPA Bushfire Facilities Reserve

For the purpose of the provision of fire protection facilities in accordance with the Commonage Contributions Area policy provisions.

##### CPA Community Facilities Dunsborough Lakes South Reserve

For the purpose of the provision of future recreational facilities at Dunsborough Lakes South (Lot 10 Commonage Road) in accordance with the Commonage Contributions Area policy provisions.

##### CPA Community Facilities South Biddle Precinct Reserve

To be utilised for the provision of community facilities within the South Biddle Precinct.

##### CPA Infrastructure Road Upgrades Reserve

To be utilised For the purpose of road upgrades towards road safety upgrades within the Commonage contribution area in accordance with the Commonage Contributions Area policy provisions.

##### Emergency Disaster Recovery Reserve

To provide funding for Disaster Recovery activities including natural and man-made events.

##### Energy Sustainability Reserve

To provide funding for the investigation, implementation and optimisation of Energy Sustainability initiatives within the District.

##### Cemetery Reserve

To provide funding for the renewal, expansion and establishment of Cemeteries within the district.

### Financial Report

For the Year Ended 30<sup>th</sup> June 2018

#### Notes to and Forming Part of the Financial Report

##### 4. Reserves – Cash Backed (Continued)

###### Employee Entitlements Reserve

To provide funding to meet Council's future long service leave obligations. To provide funding to meet Council's obligations under the City of Busselton's Enterprise Bargaining Agreement (Sick Pay Incentive). To provide funding to meet the City's ongoing contractual professional development obligations.

###### Infrastructure Asset Renewal Reserve

To assist the City in funding capital expenditure on renewal, replacement and improvements of infrastructure assets as determined by Council, and as specifically identified in relevant asset management plans.

To meet the need of the Long Term Financial Plan Road Asset Management plan requirements.

###### Community Development Contribution Reserve

To hold development contributions received by the City for the provision of new or upgraded community infrastructure.

###### Busselton Area Drainage and Waterways Improvement Reserve

To hold development contributions received by the City for the provision of drainage works and the management and improvement of waterways within the Busselton area including the lower Vasse River.

###### Joint Venture Aged Housing Reserve

To hold funds to meet future expenses, including capital, maintenance, operational and administrative costs associated with the provision of community aged housing at Winderlup Villas and Harris Road pursuant to the relevant joint venture agreements with the Department of Housing.

###### Public Art Reserve

To hold restricted development contributions received by the City for the commissioning, purchase and enhancement of public art works.

###### Performing Arts Centre Reserve

To provide for the planning and construction of a future Performing Arts Centre for the district. (Balance Nil as at 30 June 2017 and 2018).

###### Railway House Asset Renewal Reserve

To be utilised For the purpose of major maintenance and renewal of the Railway House facility. (Balance Nil as at 30 June 2017 and 2018).

**City of Busselton**

Loans – Clubs / Institutions)	352,875	320,497
	<u>633,389</u>	<u>581,047</u>

#### SIGNIFICANT ACCOUNTING POLICIES

##### Trade and other receivables

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

##### Classification and subsequent measurement

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Loans and receivables are included in current assets where they are expected to mature within 12 months after the end of the reporting period.

**(c) Fair Value Measurements**

<b>Asset Class</b>	<b>Fair Value Hierarchy</b>	<b>Valuation Technique</b>	<b>Basis of Valuation</b>	<b>Date of last Valuation</b>	<b>Inputs Used</b>
<b><u>Land &amp; Buildings</u></b>					
Freehold land	2	Market approach using recent observable market data for similar properties.	Independent Registered Valuer.	June 2017	Price per hectare / market borrowing rate.
Non-Specialised Buildings	3	Cost approach using depreciated replacement cost.	Independent Registered Valuer.	June 2017	Construction costs (level 2) and current condition (level 3), residual values and remaining useful life assessment's (level 3) inputs.
Specialised Buildings	2	Market approach using recent observable market data for similar properties.	Independent Registered Valuer.	June 2017	Price per square meter / market borrowing rate
<b><u>Furniture &amp; Equipment</u></b>					
Furniture & Equipment	3	Cost approach using depreciated replacement cost.	Management valuation.	June 2016	Construction cost (level 2) and current condition (level 3), residual values and remaining useful life assessment (level 3) inputs.
<b><u>Plant &amp; Equipment</u></b>					
Plant & Equipment	3	Cost approach using depreciated replacement cost.	Management valuation.	June 2016	Purchased cost (level 2) and current condition (level 3), residual values and remaining useful life assessments (level 3) inputs.

Level 3 inputs are based on assumptions with regards to future values and patterns of consumption utilising current information. If the basis of these assumptions were varied, they have the potential to result in a significantly higher or lower fair value measurement.

During the period there were no changes in the valuation techniques used by the local government to determine the fair value of property, plant and equipment using either level 2 or level 3 inputs.

## City of Busselton

### Financial Report

For the Year Ended 30<sup>th</sup> June 2018

#### Notes to and Forming Part of the Financial Report

##### 8. Infrastructure (Continued)

##### (c) Fair Value Measurements

Asset Class	Fair Value Hierarchy	Valuation Technique	Basis of Valuation	Date of last Valuation	Inputs Used
Roads	3	Cost approach using depreciated replacement cost.	Management valuation.	June 2018	Construction costs (level 2) and current condition (level 3), residual values and remaining useful life assessments (level 3) inputs.
Bridges	3	Cost approach using depreciated replacement cost.	Management valuation.	June 2018	Construction costs (level 2) and current condition (level 3), residual values and remaining useful life assessments (level 3) inputs.
Car Parks	3	Cost approach using depreciated replacement cost.	Management valuation.	June 2018	Construction costs (level 2) and current condition (level 3), residual values and remaining useful life assessments (level 3) inputs..
Drainage	3	Cost approach using depreciated replacement cost.	Management valuation.	June 2018	Construction costs (level 2) and current condition (level 3), residual values and remaining useful life assessments (level 3) inputs.
Other Infrastructure	3	Cost approach using depreciated replacement cost.	Management valuation.	June 2018	Construction costs (level 2) and current condition (level 3), residual values and remaining useful life assessments (level 3) inputs.

Level 3 inputs are based on assumptions with regards to future values and patterns of consumption utilising current information. If the basis of these assumptions were varied, they have the potential to result in a significantly higher or lower fair value measurement.

During the period there were no changes in the valuation techniques used to determine the fair value of infrastructure using level 3 inputs.

# City of Busselton

## Financial Report

For the Year Ended 30<sup>th</sup> June 2018

### Notes to and Forming Part of the Financial Report

#### 9. Fixed Assets

##### SIGNIFICANT ACCOUNTING POLICIES

##### Fixed assets

Each class of fixed assets within either property, plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

##### Initial recognition and measurement between mandatory revaluation dates

All assets are initially recognised at cost and subsequently revalued in accordance with the mandatory measurement framework.

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the City includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Individual assets acquired between initial recognition and the next revaluation of the asset class in accordance with the mandatory measurement framework, are recognised at cost and disclosed as being at fair value as management believes cost approximates fair value. They are subject to subsequent revaluation at the next anniversary date in accordance with the mandatory measurement framework.

##### Revaluation

The fair value of fixed assets is determined at least every three years in accordance with the regulatory framework. At the end of each period the valuation is reviewed and where appropriate the fair value is updated to reflect current market conditions.

This process is considered to be in accordance with Local Government (Financial Management) Regulation 17A (2) which requires property, plant and equipment to be shown at fair value.

##### Revaluation (Continued)

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same class of asset are recognised against revaluation surplus directly in equity. All other decreases are recognised in profit or loss.

##### Land under control

In accordance with *Local Government (Financial Management) Regulation 16(a)(ii)*, the City was required to include as an asset (by 30 June 2013), Crown Land operated by the local government as a golf course, showground, racecourse or other sporting or recreational facility of State or Regional significance.

Upon initial recognition, these assets were recorded at cost in accordance with AASB 116. They were then classified as Land and revalued along with other land in accordance with the other policies detailed in this Note.

##### Land under Roads

In Western Australia, all land under roads is Crown Land, the responsibility for managing which, is vested in the local government.

Effective as at 1 July 2008, Council elected not to recognise any value for land under roads acquired on or before 30 June 2008. This accords with the treatment available in Australian Accounting Standard AASB 1051 Land Under Roads and the fact Local Government (Financial Management) Regulation 16(a) (i) prohibits local governments from recognising such land as an asset.

In respect of land under roads acquired on or after 1 July 2008, as detailed above, Local Government (Financial Management) Regulation 16(a) (i) prohibits local governments from recognising such land as an asset.

Whilst such treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4(2) provides, in the event of such an inconsistency, the Local Government (Financial Management) Regulations prevail.

Consequently, any land under roads acquired on or after 1 July 2008 is not included as an asset of the City.

# City of Busselton

## Financial Report

For the Year Ended 30<sup>th</sup> June 2018

### Notes to and Forming Part of the Financial Report

#### 9. Fixed Assets (Continued)

##### (b) Depreciation (Continued)

#### SIGNIFICANT ACCOUNTING POLICIES

##### Depreciation

The depreciable amount of all fixed assets including buildings but excluding freehold land and vested land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

When an item of property, plant and equipment is revalued, any accumulated depreciation at the date of the revaluation is treated in one of the following ways:

- a) The gross carrying amount is adjusted in a manner that is consistent with the revaluation of the carrying amount of the asset. For example, the gross carrying amount may be restated by reference to observable market data or it may be restated proportionately to the change in the carrying amount. The accumulated depreciation at the date of the revaluation is adjusted to equal the difference between the gross carrying amount and the carrying amount of the asset after taking into account accumulated impairment losses; or
- b) Eliminated against the gross carrying amount of the asset and the net amount restated to the revalued amount of the asset.

##### Depreciation (Continued)

##### Depreciation rates

Major depreciation periods used for each class of depreciable asset are:

Buildings - General	40	Years
Buildings – Geographe Leisure Centre	10 - 20	Years
Furniture and Fittings – Basic Items	10	Years
Furniture and Fittings – EDP Network	3	Years
Heavy Plant and Equipment	3 – 10	Years
Light to Medium Vehicles	3 - 5	Years
Light Mobile Plant	2	Years
Tools	10	Years

##### Infrastructure:

Roads	15 - 60	Years
Bridges	40 - 60	Years
Car Parks	20 - 40	Years
Footpaths & Cycle ways	20 - 40	Years
Parks, Gardens & Reserves & Community Facilities	5 - 50	Years
Storm water Drainage	25 - 90	Years
Regional Airport & Industrial Park	12 - 40	Years

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income in the period in which they arise.

#### SIGNIFICANT ACCOUNTING POLICIES

##### Financial liabilities

Financial liabilities are recognised at fair value when the City becomes a party to the contractual provisions to the instrument.

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

##### Financial liabilities (Continued)

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

##### Borrowing costs

Borrowing costs are recognised as an expense when incurred.

	1,957,702	3,111,698	175,935	5,245,335

#### SIGNIFICANT ACCOUNTING POLICIES

##### Employee benefits

##### Short-term employee benefits

Provision is made for the City's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The City's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position.

##### Other long-term employee benefits

The City's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference

##### Other long-term employee benefits (Continued)

to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any re-measurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The City's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the City does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

##### Provisions

Provisions are recognised when the City has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

## City of Busselton

### Financial Report

For the Year Ended 30<sup>th</sup> June 2018

#### Notes to and Forming Part of the Financial Report

##### 16. Contingent Liabilities

###### 16.1 Resident funded aged persons homes

When the resident funded aged person's unit at the Winderlup Court becomes vacant, then Council has a contractual obligation to reimburse the occupant the contribution made at the outset (less annual depreciation) and discretion to increase the amount based on market value of the capital cost for the unit involved.

###### 16.2 Buy Back Conditions contained in City Lease Agreements

On the 14 June 1999 the City entered into a lease agreement with the St John Ambulance Association of WA and this lease agreement expires on 30 June 2020. If a new lease is not entered into the City could be liable for the purchase of the building and improvements at market value (Clause 7).

###### 16.3 Busselton Waste Transfer Station Contamination Investigation

The City of Busselton operates the Rendezvous Road Waste Transfer Station from lots 500 and 27 Rendezvous Road, Busselton (Busselton Tip Site). During 2007 the Contaminated Sites Branch of the Department of Environment Regulation (DER) notified the City that Lot 500 had been entered on the Contaminated Sites Register and classified as "Possibly Contaminated-Investigation required" mainly because of the historical activities carried out on the Busselton Tip Site. Both these sites have since been reclassified by the (now) Department of Water and Environment Regulation (DWER) as "Contaminated – Remediation Required".

The Busselton Tip Site had been reported by residents who had advised that they abstracted the groundwater for drinking purposes who indicated that chloride and ammonia, above Australian Drinking Water Standards, had been detected in the groundwater in the vicinity of the Busselton Tip Site.

Potential contamination of groundwater in the vicinity of the Busselton Tip Site has since been investigated and subsequent test results indicated chemical concentrations above health and aesthetic screening criteria on certain properties in this area. In accordance with DWER requirements and directives further investigations into the source, nature and extent of the contamination is ongoing. Depending on the outcome of the investigation the City may incur a certain level of liability in respect of remedial action and/or claims for compensation. Due to complex scientific, operational and legal issues impacting on this matter, it is not reasonably possible to determine Council's potential liability (if any) at this stage.

## Financial Report

For the Year Ended 30<sup>th</sup> June 2018

### Notes to and Forming Part of the Financial Report

#### 17. Capital and Leasing Commitments

	2018 Actual \$	2017 Actual \$
<b>(a) Capital Expenditure Commitments</b>		
Contracted for:		
<u>Capital projects</u>		
- Civic and Administration Building	0	549,999
- Youth Building	0	1,106,822
- Barnard Park	0	249,223
- Busselton Foreshore Coastal Defences	0	1,046,419
- Busselton Margaret River Regional Airport Airside Infrastructure	885,156	15,904,709
- Busselton Margaret River Regional Airport Landside Infrastructure	13,023,079	608,941
<u>Payable:</u>		
- not later than one year	13,908,235	19,466,113
- later than one year but not later than five years	0	0

The capital expenditure projects outstanding at the end of the current reporting period represent construction work associated with the development of the Busselton Margaret River Regional Airport

#### (b) Operating Lease Commitments

Non-cancellable operating leases contracted for but not capitalised in the accounts.

Payable:

- not later than one year	637,750	414,159
- later than one year but not later than five years	1,305,370	337,343
- later than five years	0	0
	1,943,120	751,502

#### SIGNIFICANT ACCOUNTING POLICIES

##### Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the City, are classified as finance leases.

Finance leases are capitalised recording an asset and a liability at the lower of the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

##### Leases (Continued)

Leased assets are depreciated on a straight line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses on a straight line basis over the lease term.

Lease incentives under operating leases are recognised as a liability and amortised on a straight line basis over the life of the lease term.

### Financial Report

For the Year Ended 30<sup>th</sup> June 2018

#### Notes to and Forming Part of the Financial Report

##### 18. Related Party Transactions (Continued)

###### Related Parties

*i Key management personnel*

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any elected member, are considered key management personnel.

*ii Entities subject to significant influence by the City*

An entity that has the power to participate in the financial and operating policy decisions of an entity, but does not have control over those policies, is an entity which holds significant influence. Significant influence may be gained by share ownership, statute or agreement.

*iii Joint venture entities accounted for under the equity method*

The interest in the joint venture entity (if any) is accounted for in these financial statements using the equity method of accounting. For details of interests held in joint venture entities.

Council has assessed the materiality of disclosure of transactions with related parties on the following criteria;

- 1) The potential effect of the relationship on the financial statements;
- 2) Whether the transaction occurred as:
  - a. Part of a public service provider relationship with a taxpayer on terms no different to that of a transaction with the general public; or
  - b. Part of an ordinary operational transaction within a normal supplier or client/recipient relationship on terms and conditions no more or less favourable than those that are reasonable to expect the council would have adopted with the party at arm's length in the same circumstances.

Council has determined that no material transactions with related parties have occurred during the financial year ended 30 June 2018.

##### 19. Major Land Transactions

Council did not participate in any major land transactions during the 2017/18 financial year pursuant to S3.59 of the Local Government Act and Part 3 of the Local Government Functions and General Regulations.

## Financial Report

For the Year Ended 30<sup>th</sup> June 2018

### Notes to and Forming Part of the Financial Report

#### 23. Financial Risk Management

The City's activities expose it to a variety of financial risks including price risk, credit risk, liquidity risk and interest rate risk. The City's overall risk management focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the City.

The City does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk.

Financial risk management is carried out by the finance area under policies approved by the Council.

*The City held the following financial instruments at balance date:*

	Carrying Value		Fair Value	
	2018	2017	2018	2017
	\$	\$	\$	\$
<b>Financial Assets</b>				
Cash and cash equivalents	72,413,338	86,589,475	72,413,338	86,589,475
Receivables	5,049,628	4,744,834	5,049,628	4,744,834
Financial assets at fair value through profit or loss	0	0	0	0
	<u>77,462,966</u>	<u>91,334,309</u>	<u>77,462,966</u>	<u>91,334,309</u>
<b>Financial Liabilities</b>				
Payables	5,563,789	6,822,792	5,563,789	6,822,792
Borrowings	34,727,913	30,127,054	36,908,598	32,746,885
	<u>40,291,702</u>	<u>36,949,846</u>	<u>42,472,387</u>	<u>39,569,677</u>

Fair value is determined as follows:

- Cash and cash equivalents, receivables, payables – estimated to the carrying value which approximates net market value.
- Borrowings, held-to-maturity investments – estimated future cash flows discounted by the current market interest rates applicable to assets and liabilities with similar risk profiles.

## Financial Report

For the Year Ended 30<sup>th</sup> June 2018

### Notes to and Forming Part of the Financial Report

#### 23. Financial Risk Management (Continued)

##### (a) Cash and cash equivalents

The City's objective is to maximise its return on cash and investments whilst maintaining an adequate level of liquidity and preserving capital. The finance area manages the cash and investments portfolio. Council has an investment policy and the policy is subject to review by Council. An Investment Report is provided to Council on a monthly basis setting out the make-up and performance of the portfolio.

The major risk associated with investments is price risk – the risk that the capital value of investments may fluctuate due to changes in market prices, whether these changes are caused by factors specific to individual financial instruments of their issuers or factors affecting similar instruments traded in a market.

Cash and investments are also subject to interest rate risk – the risk that movements in interest rates could affect returns.

Another risk associated with cash and investments is credit risk – the risk that a contracting entity will not complete its obligations under a financial instrument resulting in a financial loss to the City.

The City manages these risks by diversifying its portfolio and only investing in investments authorised by *Local Government (Financial Management) Regulations 19C*.

	30 June 2018	30 June 2017
	\$	\$
Impact of a 1% <sup>(1)</sup> movement in interest rates on cash and investments at balance date:		
• Equity	724,133	865,895
• Statement of Comprehensive Income	724,133	865,895

Notes:

(1) Sensitivity percentages based on management's expectation of future possible interest rate movements.

## Financial Report

For the Year Ended 30<sup>th</sup> June 2018

### Notes to and Forming Part of the Financial Report

#### 23. Financial Risk Management (Continued)

##### (b) Receivables

The City's major receivables comprise rates and annual charges and user charges and fees. The major risk associated with these receivables is credit risk – the risk that the debts may not be repaid. The City manages this risk by monitoring outstanding debt and employing debt recovery policies.

Credit risk on rates and annual charges is minimised by the ability of the City to recover these debts as a secured charge over the land – that is, the land can be sold to recover the debt. The City is also able to charge interest on overdue rates and annual charges at higher than market rates, which further encourages payment.

The level of outstanding receivables is reported to Council monthly and benchmarks are set and monitored for acceptable collection performance.

Council makes suitable provision for doubtful receivables as required and carries out credit checks on most non-rate debtors.

There are no material receivables that have been subject to a re-negotiation of repayment terms.

The profile of the Council's credit risk at balance date was:

	30 June 2018	30 June 2017
	\$	\$
Percentage of Rates and Annual Charges		
• Current	10.00%	11.00%
• Overdue	90.00%	89.00%
Percentage of Other Receivables		
• Current	98.98%	97.38%
• Overdue	1.02%	2.62%

### Notes to and Forming Part of the Financial Report

#### 23. Financial Risk Management (Continued)

##### (c) Payables and Borrowings

###### (i) Payables

Payables and borrowings are both subject to liquidity risk – that is, the risk that insufficient funds may be on hand to meet payment obligations as and when they fall due. The City manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer. Payment terms can be extended and overdraft facilities drawn upon if required.

The contractual undiscounted cash flows of the City's Payables and Borrowings are set out in the Liquidity Sensitivity Table below:

	Due within 1 year \$	Due between 1 & 5 years \$	Due after 5 years \$	Total contractual cash flows \$	Carrying Values \$
<b>2018</b>					
Payables	5,563,789	0	0	5,563,789	5,563,789
Borrowings	4,385,287	15,542,819	24,172,084	44,100,190	34,727,913

**(ii) Borrowings**

Borrowings are also subject to interest rate risk – the risk that movements in interest rates could adversely affect funding costs. The City manages this risk by borrowing long term and fixing the interest rate to the situation considered the most advantageous at the time of negotiation.

The following tables set out the carrying amount, by maturity, of the financial instruments exposed to interest rate risk:

	<u>&lt; 1 year</u>	<u>&gt;1&lt;2 years</u>	<u>&gt;2&lt;3 years</u>	<u>&gt;3&lt;4 years</u>	<u>&gt;4&lt;5 years</u>	<u>&gt;5 years</u>	<u>Total</u>	<u>Weighted Average Effective Interest Rate %</u>

### Financial Report

For the Year Ended 30<sup>th</sup> June 2018

#### Notes to and Forming Part of the Financial Report

##### 25. New Accounting Standards and Interpretations for Application in Future Periods

The AASB has issued a number of new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods, some of which are relevant to the City.

Management's assessments of the new and amended pronouncements that are relevant to the Council, applicable to future reporting periods and which have not yet been adopted are set out as follows:

	Title	Issued/ Compiled	Applicable <sup>(1)</sup>	Impact
(i)	AASB 9 Financial Instruments (incorporating AASB 2014-7 and AASB 2014-8)	December 2014	1 January 2018	Nil – The objective of this Standard is to improve and simplify the approach for classification and measurement of financial assets compared with the requirements of AASB 139. Given the nature of the financial assets of the City, it is not anticipated the Standard will have any material effect.
(ii)	AASB 15 Revenue from Contracts with Customers	December 2014	1 January 2019	<p>This Standard establishes principles for entities to apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from a contract with a customer.</p> <p>The effect of this Standard will depend upon the nature of future transactions the City has with those third parties it has dealings with. It may or may not be significant.</p>
(iii)	AASB 16 Leases	February 2016	1 January 2019	<p>Under AASB 16 there is no longer a distinction between finance and operating leases. Lessees will now bring to account a right-to-use asset and lease liability onto their statement of financial position for all leases. Effectively this means the vast majority of operating leases as defined by the current AASB 117 Leases which currently do not impact the statement of financial position will be required to be capitalised on the statement of financial position once AASB 16 is adopted.</p> <p>Currently, operating lease payments are expensed as incurred. This will cease and will be replaced by both depreciation and interest charges. Based on the current number of operating leases held by the City, the impact may or may not be significant.</p>

## City of Busselton

### Financial Report

For the Year Ended 30<sup>th</sup> June 2018

#### Notes to and Forming Part of the Financial Report

##### 25. New Accounting Standards and Interpretations for Application in Future Periods (Continued)

	Title	Issued/ Compiled	Applicable <sup>(1)</sup>	Impact
(iv)	AASB 1058 Income of Not-for-Profit Entities (incorporating AASB 2016-7 and AASB 2016-8)	December 2016	1 January 2019	<p>These standards are likely to have a significant impact on the income recognition for NFP's. Key areas for consideration are:</p> <ul style="list-style-type: none"><li>- Assets received below fair value;</li><li>- Transfers received to acquire or construct non-financial assets;</li><li>- Grants received;</li><li>- Prepaid rates;</li><li>- Leases entered into at below market rates; and</li><li>- Volunteer services.</li></ul> <p>Whilst it is not possible to quantify the financial impact (or if it is material) of these key areas until the details of future transactions are known, they will all have application to the City's operations.</p>

**Notes:**

<sup>(1)</sup> Applicable to reporting periods commencing on or after the given date.

##### (y) Adoption of New and Revised Accounting Standards

During the current year, the City adopted all of the new and revised Australian Accounting Standards and Interpretations which were compiled became mandatory and which were applicable to its operations.

Whilst many reflected consequential changes associate with the amendment of existing standards, the only new standard with material application is as follows:

- (i) AASB 2016-4 Amendments to Australian Accounting Standards - Recoverable Amount of Non-Cash-Generating Specialised Assets of Not-for-Profit Entities 1 January 2017
- (ii) AASB 2016-7 Amendments to Accounting Standards - Deferral of AASB 15 for Not-for-Profit Entities 1 January 2017

# City of Busselton

## Financial Report

For the Year Ended 30<sup>th</sup> June 2018

### Notes to and Forming Part of the Financial Report

#### 26. OTHER SIGNIFICANT ACCOUNTING POLICIES

##### a) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

##### b) Current and non-current classification

The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the City's operational cycle. In the case of liabilities where the City does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current or non-current based on the City's intentions to release for sale.

##### c) Rounding off figures

All figures shown in this annual financial report, other than a rate in the dollar, are rounded to the nearest dollar. Amounts are presented in Australian Dollars.

##### d) Comparative figures

Where required, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

When the City applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements that has a material effect on the statement of financial position, an additional (third) statement of financial position as at the beginning of the preceding period in addition to the minimum comparative financial statements is presented.

##### e) Budget comparative figures

Unless otherwise stated, the budget comparative figures shown in this annual financial report relate to the original budget estimate for the relevant item of disclosure.

##### f) Fair value hierarchy

AASB 13 requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurement into one of three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows:

###### Level 1

Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

###### Level 2

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

###### Level 3

Measurements based on unobservable inputs for the asset or liability. The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or more significant inputs are not based on observable market data, the asset or liability is included in Level 3.

##### Valuation techniques

The City selects a valuation technique that is appropriate in the circumstances and for which sufficient data is available to measure fair value. The availability of sufficient and relevant data primarily depends on the specific characteristics of the asset or liability being measured. The valuation techniques selected by the City are consistent with one or more of the following valuation approaches:

###### Market approach

Valuation techniques that use prices and other relevant information generated by market transactions for identical or similar assets or liabilities.

###### Income approach

Valuation techniques that convert estimated future cash flows or income and expenses into a single discounted present value.

###### Cost approach

Valuation techniques that reflect the current replacement cost of the service capacity of an asset.

# City of Busselton

## Financial Report

For the Year Ended 30<sup>th</sup> June 2018

### Notes to and Forming Part of the Financial Report

#### 26. OTHER SIGNIFICANT ACCOUNTING POLICIES

(Continued)

##### g) Superannuation

The City contributes to a number of Superannuation Funds on behalf of employees. All funds to which the City contributes are defined contribution plans.

##### h) Fair value of assets and liabilities

Fair value is the price that the City would receive to sell the asset or would have to pay to transfer a liability, in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset or liability (i.e. the market with the greatest volume and level of activity for the asset or liability) or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (i.e. the market that maximises the receipts from the sale of the asset after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

Each valuation technique requires inputs that reflect the assumptions that buyers and sellers would use when pricing the asset or liability, including assumptions about risks. When selecting a valuation technique, the City gives priority to those techniques that maximise the use of observable inputs and minimise the use of unobservable inputs. Inputs that are developed using market data (such as publicly available information on actual transactions) and reflect the assumptions that buyers and sellers would generally use when pricing the asset or liability are considered observable, whereas inputs for which market data is not available and therefore are developed using the best information available about such assumptions are considered unobservable.

##### i) Impairment of assets

In accordance with Australian Accounting Standards the City's cash generating non-specialised assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. AASB 116) whereby any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

For non-cash generating specialised assets that are measured under the revaluation model, such as roads, drains, public buildings and the like, no annual assessment of impairment is required. Rather AASB 116.31 applies and revaluations need only be made with sufficient regulatory to ensure the carrying value does not differ materially from that which would be determined using fair value at the ends of the reporting period.

## Financial Report

For the Year Ended 30<sup>th</sup> June 2018

### Notes to and Forming Part of the Financial Report

#### 27 Activities/ Programs

City operations as disclosed in these financial statements encompass the following service orientated activities/ Programs

##### General Purpose Funding

**Objective:** To collect revenue to allow for the provision of services.

**Activities:** Rates, interest revenue and other general purpose Government grants together with any expenses incurred in realising these incomes.

##### Governance

**Objective:** To provide decision making process for the efficient allocation of scarce resources.

**Activities:** Includes the activities of members of Council and the administrative support available to the Council for the provision of governance to the district. Other costs relate to the task of assisting elected members and ratepayers on matters which do not concern specific Council services.

##### Law, Order and Public Safety

**Objective:** To provide services to help ensure a safer and environmentally conscious community.

**Activities:** Supervision and enforcement of various by-laws, fire prevention, animal control and emergency services. Council also provides assistance to surf lifesaving efforts.

##### Health

**Objective:** To provide an operational framework for environmental and community health.

**Activities:** Inspections of food outlets and their control, noise control, waste disposal compliance, mosquitoes and stingers control.

##### Education and Welfare

**Objective:** To provide services for the elderly, children and youth.

**Activities:** Annual donation relative to the operation of a Senior Citizen's Centre.

##### Housing

**Objective:** To provide and maintain elderly residents housing.

**Activities:** The operation of three sets of aged persons homes.

##### Community Amenities

**Objective:** To provide services required by the community

**Activities:** Includes rubbish collection and disposal services, recycling initiatives, septic tank inspection services, urban stormwater drainage networks, environmental protection initiatives, operation of three cemeteries, town scaping facilities, as well as the administration of Council's Town Planning Scheme and associated policies and obligations.

##### Recreation and Culture

**Objective:** To establish and effectively manage infrastructure and resources which will help the social well being of the community.

**Activities:** Maintenance of halls, swimming areas and beaches, various reserves, recreation programs, the Busselton Jetty, the operation of the two Libraries, the maintenance and operation of the two Leisure Centres, and the employment of a Cultural Development Officer.

## INDEPENDENT AUDITOR'S REPORT

### To the Councillors of the City of Busselton

### Report on the Audit of the Financial Report

#### **Opinion**

We have audited the annual financial report of the City of Busselton which comprises the Statement of Financial Position as at 30 June 2018, the Statement of Comprehensive Income by Nature or Type, Statement of Comprehensive Income by Program, Statement of Changes in Equity, Statement of Cash Flows and Rate Setting Statement for the year then ended, and notes comprising a summary of significant accounting policies and other explanatory information, and the Statement by the Chief Executive Officer.

In our opinion the annual financial report of the City of Busselton:

- (i) is based on proper accounts and records; and
- (ii) fairly represents, in all material respects, the results of the operations of the City of Busselton for the year ended 30 June 2018 and its financial position at the end of that period in accordance with the *Local Government Act 1995* (the Act) and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards.

#### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the City of Busselton in accordance with the relevant ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Emphasis of Matter – Basis of Accounting**

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the City of Busselton's financial reporting responsibilities under the Act. Regulation 16 of the Local Government (Financial Management) Regulations 1996 (Regulations), does not allow a local government to recognise some categories of land, including land under roads, as assets in the annual financial report. Our opinion is not modified in respect of this matter.

#### **Responsibilities of the Chief Executive Officer and Council for the Financial Report**

The Chief Executive Officer (CEO) of the City of Busselton is responsible for the preparation and fair presentation of the annual financial report in accordance with the requirements of the Act, the Regulations and, to the extent that they are not inconsistent with the Act, Australian Accounting Standards. The CEO is also responsible for such internal control as the CEO determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the CEO is responsible for assessing the City of Busselton's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern

basis of accounting unless the State government has made decisions affecting the continued existence of the City of Busselton.

The Council is responsible for overseeing the City of Busselton's financial reporting process.

***Auditor's Responsibility for the Audit of the Financial Report***

The objectives of our audit are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, We exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City of Busselton's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the CEO.
- Conclude on the appropriateness of the CEO's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the City of Busselton's ability to continue as a going concern. If We conclude that a material uncertainty exists, We am required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report, as we cannot predict future events or conditions that may have an impact.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Council and the CEO regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that We identify during our audit.

### **Report on Other Legal and Regulatory Requirements**

In accordance with the Local Government (Audit) Regulations 1996 we report that:

- (i) In our opinion, there are no significant adverse trends in the financial statements of the City of Busselton;
- (ii) The following instance of non-compliance with Part 6 of the *Local Government Act 1995*, the *Local Government (Financial Management) Regulations 1996* or applicable financial controls of any other written law were identified during the course of my audit:
  - a. The monthly financial statements for July 2017 and August 2017 were not presented at an ordinary council meeting within two months after the end of the month to which the financial statements relate; as required by Regulation 34(4) of the Local Government (Financial Management) Regulations 1996.
- (iii) All required information and explanations were obtained by us.
- (iv) All audit procedures were satisfactorily completed.
- (v) In our opinion, the asset consumption ratio and the asset renewal funding ratio included in the annual financial report were supported by verifiable information and reasonable assumptions.

### **Matters Relating to the Electronic Publication of the Audited Financial Report**

This auditor's report relates to the annual financial report of the City of Busselton for the year ended 30 June 2018 included on the City of Busselton's website. The City of Busselton's management is responsible for the integrity of the City of Busselton's website. This audit does not provide assurance on the integrity of the City of Busselton's website. The auditor's report refers only to the financial report described above. It does not provide an opinion on any other information which may have been hyperlinked to/from this financial report. If users of the financial report are concerned with the inherent risks arising from publication on a website, they are advised to refer to the hard copy of the audited financial report to confirm the information contained in this website version of the financial report.
